

Security First™ NGO War Risk Insurance

Security for Your Greatest Asset ... Your People

Safe Passage International is pleased to offer War Risk Insurance for NGOs working in troubled regions of the world

Staff should not be sent into the field without adequate insurance for the risks they will face. In today's security climate, NGOs must prepare for the real possibility that random or targeted acts of violence will be carried out against humanitarian personnel. War Risk Insurance is an important arrow in the NGO's quiver of security management tools.

Product Highlights

- Fills dangerous gaps in domestic healthcare or self-funded medical plans and Foreign Workers' Comp insurance
- Worldwide travel assistance provides emergency medical, emergency travel, and pre-trip information services.
